Expert

I am a highly motivated individual with a strong passion for Web Development. I am constantly seeking new opportunities to learn and grow, and I am excited to bring my unique perspective and expertise to any project or challenge that comes my way.

WORK EXPERIENCE

Frontend Developer

(February 03, 2022 - September 01, 2022)

React Frontend Developer

As a React developer I have had the opportunity to work on various projects that have allowed me to develop my skills and understanding of web development. One project that I am particularly proud of is the website that I built for company where is worked.

Stock market prediction web app

(September 01, 2022 - December 09, 2022)

Frontend Designer

EDUCATION

College of applied business, kathmandu Nepal

(May 01, 2018 - February 04, 2022)

Bachelor

As a student studying computer science at CAB, I have had the opportunity to learn from a diverse group of professors and peers who have helped to shape my understanding of the field.
